To Whom It May Concern,

Justyna Czujko of Neon Lilith Photography has provided me with photographic services on a number of occasions. Those service included photographing me at meetings, events, and even a parade and I have used those images in various print and online media.

I appreciate the skill and dedication that Justyna brings to the task, and her commitment to excellence. She is very easy to work with and has an eye for great shots.

I recommend Justyna and Neon Lilith Photography for photography, editing, and other image work.

Regards,

Catherine
